RE: Piedmont Natural Gas Company, Inc.  
 Notice of New Natural Gas Construction Project  
 Docket No. 2012-278-G

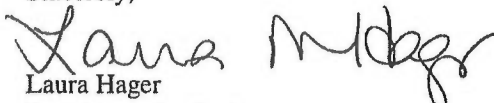

Dear Ms. Boyd:

Piedmont Natural Gas Company, Inc. ("Piedmont" or "Company") is required to notify the Public Service Commission of South Carolina ("Commission") "[o]f any construction projects resulting in a cost of \$500,000 or more." See 26 S.C. Code Ann. Reg. 103-412.2.7. In compliance with Commission regulation, this letter serves as notification to the Commission that Piedmont plans to replace the regulator station located near the intersection of Asheton Way and SC Highway 14 in Simpsonville with a new station to accommodate anticipated system growth in the part of Greenville County this station serves. The new station will be located approximately 600 feet north of the existing station site on the west side of Highway 14 and will tie into a new distribution main extension between Roper Mountain Road and Asheton Way. The station will be served off of an existing high pressure distribution main that runs along SC 14 located immediately downstream of the existing station. Piedmont expects the construction on this project (FP0751552) to be completed by the end of August 2018.

By copy of this letter, Piedmont is also notifying ORS of this construction pursuant to S.C. Code Ann. Reg 103-412.2.7(A).

Please do not hesitate to contact us with any questions.

Sincerely,

  
 Laura Hager
